## Year 1 – Green's Windmill Trip

Dear Parents/Carers,

We have organised a trip for the children in Miss Evans' class to go to Green's Windmill, Nottingham on Wednesday 2<sup>nd</sup> April. This is linked to their science lessons. They will be joining in an action-packed 'out-of-school' learning experience, investigating cogs, grain, flour, weighing and measuring. They will also have the opportunity to explore the windmill with their miller and make delicious bread, using Green's Mill flour, which they can take home.

The children will also explore the Science Centre and try out the different experiments.

Please see the link attached for more information regarding Green's Windmill:

<https://www.greensmill.org.uk/visit-the-mill/school-sessions/>

The children will be travelling by bus and will leave The Grove at 9.15am and will return by 3.15pm. Please make sure the children wear school uniform.

Each child will also require a packed lunch and two drinks (non-fizzy). If you are in receipt of free school meals, then please fill in the slip below stating whether you would like the school to provide your child with one. However, please provide your child with drinks.

In order for the trip to go ahead we are asking for a contribution of £10 per child. The cost of the trip covers the coach hire and the cost for the Little Red Hen session. Green's Windmill have also covered some of the cost of the trip. Please pay this to the school office or on Weduc by Friday 28<sup>th</sup> March.

Any questions, please contact the school office **NOT** the class teacher.

Thanks for your support

The Grove Team

✂

**Trip to Green's Windmill, Nottingham – Please return to the school office by Friday 28<sup>th</sup> March 2025.**

Pupil..... Class.....

**YES**, I would like my child to attend the Green's Windmill on Wednesday 2<sup>nd</sup> April and enclose £10/pay on Weduc.

**Yes**, my child is currently in receipt of free school meals. They **would** like a packed lunch provided for them. I understand I must provide a drink which is not fizzy.
