Safer Internet Day Tuesday 11th February

Dear Parents/Carers

Safer Internet Day 2025 will take place on Tuesday 11th February 2025, with celebrations and learning based around the theme '**Too good to be true? Protecting yourself and others from scams online**'

Safer Internet Day is the UK's biggest celebration of online safety. Each year they cover an online issue or theme that speaks about the things young people are seeing and experiencing online. Created in consultation with young people across the UK, this year Safer Internet Day will be focusing on the issue of scams online and for young people, how to protect themselves and others, as well as what support is available to them.

More information about Safer Internet Day can be found on their website:

We would like to invite parents/carers to one of our parent sessions on Tuesday 11th February at either 9.00am or 2.30pm, where Mrs Tyler will be sharing information about how to support safe online safety at home and how to deal with cyber bullying/inappropriate communications.

Many thanks

The Grove Team
