Dear parents or carers,

New Starters September 2025

Is your child due to start school in September 2025 and you haven't yet applied for school? If your child is 4 before September 2025 then you need to apply for a school place. The closing date is 15th January 2025.

See the Leicestershire school admissions website, www.leics.gov.uk/admissions for details and how to apply.

The results for the 2025 primary school applications will be made available on primary school offer day – **16th April 2023 or next working day.**

If you applied by post, Leicestershire County Council will send you a letter by 1st class post on **16th April 2023 or next working day.** This may take up to 5 days to arrive.

Any problems, please come and see the school office.

Yours sincerely,

The Grove Team
