

Friday 10th January 2025

Dear Parents and carers,

We are really exciting to let you know that your child has been picked to attend a special art afternoon at JFC. This session has been planned especially for children of The Grove who have a passion for art and those who show potential in developing their skills.

The children will spend the afternoon with the JFC art leader, Mrs King, as they work on their own masterpiece!

The trip will take place on the 20th January. The children will travel by mini-bus after lunch and be back at school by the end of the day.

We look forward to sharing their work with you!

Kind regards,

Mrs Cheeseman
