Annual School Photographs

Dear Parents/Carers

On Wednesday 9th October, a professional photographer from Tempest Photography, will be coming into school to take pictures of the children.

I am sure that you will agree that the photographs taken in school make excellent presents and are a wonderful record of your child's passage through the school. We are able to take photographs of the children as individuals or as a family group. If you wish to bring any siblings along who are either not at school yet or attend another school, we have arranged for the photographer to do a session from 8.30am in the school hall. Please note that all children will need to be supervised by an adult. Please arrive for 8.30am.

During the school morning, all children will have an individual photograph taken. You will be sent a small proof from which you can order larger copies if you so wish. Payment will be needed with the orders. All photographs will be back in time for Christmas.

Later on in the year, children in Year 6 and in Reception will also be having a year group photograph. We will also take pictures of lead school ambassadors, sports leaders and many other groups.

Please note that while the school is happy to facilitate this photography, it is essentially an arrangement between the photographer and you as a parent. The school does not hold the negatives or the copyright and is not responsible for your order, or the future use of the pictures.

Yours sincerely

The Grove Team
