Year 2 trip to 'Melton In Bloom' Garden

Dear parents/carers,

As part of our community pledge, Year 2 have been invited to take part in helping 'Melton In Bloom' to plant seeds in their garden on Monday 13th May 2024. The children will leave school at 1.10pm and walk to Melton Council Offices, Parkside. They will then return to school by the end of the day.

This is a great opportunity for the children to learn about planting seeds and helping the volunteers of 'Melton In Bloom' with their gardening.

Kind regards,

The Grove Team
