### Year 2 trip to 'Melton In Bloom' Garden

Dear parents/carers,

As part of our community pledge, Year 2 have been invited to take part in helping 'Melton In Bloom' to plant seeds in their garden on Thursday 21<sup>st</sup> March 2024. The children will leave school at 1.10pm and walk to Melton Council Offices, Parkside. They will then return to school by the end of the day.

This is a great opportunity for the children to learn about planting seeds and helping the volunteers of 'Melton In Bloom' with their gardening.

Kind regards,

The Grove Team
