

4<sup>th</sup> March 2024

Dear Parents and Carers,

## Celebrating Diversity in our Community'

In school we are always working hard to teach all our children the '**5 British Values**' – **Democracy, Rule of Law, Tolerance, Mutual Respect and Individual Liberty**.

In all classrooms in the school we have British Values displays, our PSHE lessons refer to British Values and how they impact our lives in and out of school and many of our assemblies are themed around the British Values. To continue to enhance the personal development of our pupils, we are looking at ways to further celebrate diversity within our school community and increase the children's understanding of tolerance of other cultures and mutual respect.

**For this we need your help!** We are looking to find out more about our pupils, their families and heritage for a whole school display which will celebrate the many languages our families speak and countries they have links to. The display will feature the world map we have by the hall and will pinpoint to show where our children have links to. This will be seen by the whole school along with any visitors to the school as well.

**If your family speak languages other than English, have moved to England from another part of the world or have relatives living outside of England, we would love to know!**

If you are happy for our display to include a pinpoint to your linked countries, with a photograph of your child, please let us know so that we can include your child and family on our 'Celebrating Diversity in our Community' display. Any information and/or photographs can either be shared with the office by email on [admin@meltingrove.org](mailto:admin@meltingrove.org).

Thank you for your continued support,

The Grove Team
