Dear Parents/Carers

Cool Milk – Under 5s

Children who are under 5 are entitled to free milk at break-time, however parents do have to register for their milk with our provider company 'Cool Milk'. This company deals with payments and administration.

If you are receiving this letter, your child is entitled to milk but at present, doesn't receive it as you have not registered. We can register the children on your behalf but we need your permission as Cool Milk need information such as a date of birth.

Once your child has turned 5, you will be invoiced for the milk unless your child is entitled to free school meals. This does not include the government universal free school meals that all Key Stage 1 get.

Please fill in the form below so that we can register your child to receive their milk.

Yours sincerely

The Grove Team
