

Thursday 21st September 2023

Dear parents/carers,

Year 2 Geography Walk

I am writing to inform you about a geography walk that we will be taking, on Monday 2nd October 2023.

In geography, we have been learning about the local area and map reading. In our most recent lesson, the children planned a route from The Grove Primary School to Waterfield Leisure Centre; this is the route we will take so that the children can see this journey in action!

The children will use their work to guide our walk to reach our destination. It should only take around 30 minutes to walk there and back.

This is a great opportunity for the children to see the transferability of the work they do during lessons, as well as providing them with a valuable life skill of following a map.

Kind regards,

Miss Cunningham
