Dear Parents/Carers,

As part of our transition to a new catering provider, we are required to collect up-to-date allergy and medical information for all students to ensure their safety at mealtimes. We kindly ask all parents to complete a short form to let us know whether or not your child has any allergies or medical requirements that our catering team needs to be aware of.

Please complete the form by **Monday, 25th August at 3:00 PM** using the link below:

If you have any difficulty completing the form or need assistance, please contact [primary@impactfood.co.uk](mailto:primary@impactfood.co.uk) and they will be happy to help

Your response is essential in helping us ensure that all students are safely served the correct meals. Thank you for your prompt attention and continued support.

Kind regards,

The Grove Team
