Safer Internet Day Tuesday 10th February

Dear Parents/Carers

Safer Internet Day 2026 will take place on Tuesday 10th February 2026, with celebrations and learning based around the theme **'Smart tech, safe choices – Exploring the safe and responsible use of AI'**.

Safer Internet Day is the UK's biggest celebration of online safety. Each year they cover an online issue or theme that speaks about the things young people are seeing and experiencing online. Created in consultation with young people across the UK, this year Safer Internet Day will be focusing on the growing issue of AI. With many children and young people hearing about and using AI online, it is important they have the skills and confidence to make safe choices when they are using smart technology.

More information about Safer Internet Day can be found on their website:

<https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2026>

We would like to invite parents/carers to one of our parent sessions on Tuesday 10th February at either 9.00am or 2.30pm, where Mrs Morgan will be sharing information about AI, how to support online safety at home and how to deal with cyber bullying/inappropriate communications.

Many thanks

The Grove Team
