Dear parents or carers,

New Starters September 2026

Is your child due to start school in September 2026 and you haven't yet applied for school? If your child is 4 before September 2026 then you need to apply for a school place. The closing date is 15th January 2026.

See the Leicestershire school admissions website, www.leics.gov.uk/admissions for details and how to apply.

The results for the 2026 primary school applications will be made available on primary school offer day – **16th April 2026 or next working day.**

Any problems, please come and see the school office.

Yours sincerely,

The Grove Team
