

15<sup>th</sup> April 2026

Dear Parents/Carers,

### Staff Update - Mrs Ferdinando

I am writing to let you know that next year Mrs Ferdinando will be leaving The Grove to begin a new adventure in a different setting. She will be moving to a school that works primarily with children with Special Educational Needs and Disabilities. She has a wealth of passion, knowledge and ambition that has made a really positive impact at The Grove and will again in her new school.

We are very sad to see her leave but very grateful for the time we have spent with her and the difference she has made to The Grove over the last 3 years - especially the last year with an emphasis on music.

As with every end there is a beginning and we are excited to let you know that we have appointed a new teacher to The Grove Team. We will share these details once all of the checks have been completed.

I know you will join me in wishing her well at the end of the year.

Kind regards,

Mrs Cheeseman
