

Dear Families,

Following a very thorough two-day interview process, we are delighted to share that Mr Daniel Rogers has been appointed as the new Headteacher of The Grove and Oasis @ The Grove.

Mr Rogers will join us at the start of the Autumn Term, when the children return after the summer holidays in August. He is an experienced Headteacher, joining us from the West Midlands, and is very much looking forward to becoming part of our school community.

Many of the pupils have already met Mr Rogers, as he led an assembly during the interview process where he shared a little about himself along with some stories about his dogs, which the children particularly enjoyed!

Over the coming weeks, Mr Rogers will be visiting the school to work alongside Mrs Cheeseman as part of a handover process. This will help ensure a smooth transition as he builds on the strong foundations she has created during her successful eight years of leadership. During his visits, he will spend time getting to know staff and pupils, and he will also be on the playground to introduce himself to parents and carers.

We would like to take this opportunity to thank Mrs Cheeseman for her outstanding leadership over the past eight years. She has worked tirelessly to help ensure that The Grove School has become the well-regarded school it is today. She will be greatly missed within the Trust Leadership Team, and we wish her every success as she continues her career in Lincolnshire.

We hope you will join us in giving Mr Rogers a very warm welcome to The Grove school community. We are confident that The Grove and Oasis @ The Grove will continue to thrive under his leadership, and that the magic will continue.

Yours sincerely,

Louise Lee
