

The Grove Sports News - Spring 2023/24

Well, what a fantastic term of sports we have had! Sport at school is really taking shape this year! Not only are we going to more events we are now having success in the competitions. We have won multiple events this year 😊

One happy teacher tonight! I'm so proud. I can't stop thinking about it.

Our Year Six basketball team has now been entered into Melton Basketball Final. We have our semi-final match at the beginning of next term. If we progress and win the semi-final and final then we will represent Melton & Belvoir in a county basketball competition. Our basketball captain Riley said, "I can't wait!" Best of luck to the team.

A few snaps from the P.E taking place in school. Year 3,4,5 and 6 have had a specialist coach in to teach them basketball. In our other P.E lessons children have focused on gymnastics and manipulating their bodies to help strengthen their core. Year 2 have been doing a great job at this!

Layla “Machine” Harrington

Amber “Never Gives Up” Rodgers

These two Year Six girls are brilliant role models for all children at school. They are kind, hard-working and always give it their all. As much as they are brilliant in class, they are also particularly brilliant outside of class. Both Layla and Amber have put lots of effort into improving their sporting skills. They both play for the same football team outside of school as well. They have been a massive part in our success this year. The reason I talk about them so highly is because of the effort they put in. Both never shy away from a challenge - literally!

I absolutely love how sport at our school is for everyone. There is no 'boys are better than girls' and these two absolutely prove that. They both have a bright future ahead and if they go on to play any sport in the future, I will be very proud of them. **Hard work beats talent when talent doesn't work hard enough!**

Our fantastic Year Four football team took part in their first competition on Wednesday. They managed to win three games out of four. We are extremely proud of their effort. Miss Cook came back to school and was overjoyed with how they represented our school.

The Sky Dance preparations are well underway now. Children through Key Stage Two have been preparing for the event and have received expert training to help with their performance. I won't reveal what the performance is about just yet, but Miss Evans and Miss Purse have created a powerful and emotive story, which will be shown through dance and acting. I can't wait to see the final performance!

Please remember to send Mr Dalby any pictures of sporting activities outside of school 😊

Things to look forward to:

- Year 4 Futsal Tournament
- Little Springers Gymnastic Event
- Basketball Finals
- Sports-ability Competition- Specific SEND Event
