

The Grove Sports Year Review

Well, what a fantastic year of sports we have had at The Grove. The children have been on countless sporting trips and represented our school fantastically well. A lot of hard work goes into these events to happen, but they are always so worth it 😊

The Gold School Games Award

Our school has been awarded (for the second year running) the gold School Games Award. The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. I am so pleased that all our hard work has paid off.

Waterfield Leisure Centre, Melton Mowbray.

Excitingly, I have arranged with the manager of Waterfield to receive some free passes to attend the swimming sessions in the summer holidays. As you know swimming is a life skill. I am passionate that all children who leave primary school should be able to swim. There will be a dojo message before the summer holidays to let everyone know how they can hopefully access these free tickets. If you are going swimming, please keep safe and be sensible.

Special Mentions

Lexi Hall one of our standout sportspersons of the year. She has had a fantastic year playing sport inside and out of school. She recently picked up the 'Manager's Player' for her team outside of school. Lexi has grown in confidence with her sport, and it has been great to see the positive impacts sport has had on other areas of her character. Well done Lexi we are very proud.

Layla (The Machine) Harrington and Malaak (The Most Improved Player) Abdullah have represented our school so well at different competitions throughout the year. It is great to see their great efforts recognised outside of school. Year Five girls have such a fantastic team I have big hopes for next years girls football competition.

Olivia has been awarded an outstanding performance certificate for her fantastic routine at the Leicester Riders basketball match. Well done Olivia for working hard on your routines. You have gained a lot of confidence from this! Best of luck next year.

Jensonarno Charity. What a player! Jenson loves everything football and is a talented player. Next year, he will be captaining our school football team. He is a great role model in the classroom and on the sports field. Well done, Jenson, keep it up!

Things to look forward to:

- Next year's events!
- Summer holidays 😊
